

**Port Edgar Yacht Club
Annual Yacht Regatta**

**13th – 14th August 2016
Sailing Instructions Appendix C**

Sunday Courses Divisions 1 -3

Olympic Course

If an Olympic or W/L course is to be sailed an announcement will be made on the VHF radio and a board indicating the course to be sailed will be displayed on the committee boat. Yachts should repeat the displayed course until signalled to finish. The Finish line shall be the same as the Start line in this instance.

The Olympic or W/L course will be set using PEYC race marks indicated on a board situated on the side of the Committee Boat. This board will indicate the Windward (W), Gybe (G) and Leeward (L) Marks. Port and starboard rounding will be indicated by the colours used viz. Red for Port hand and green for Starboard hand rounding. Each race will consist of Triangle, Sausage, and Triangle.

Courses

The course numbers are not necessarily as those in the club handbook but the marks are. Upper case indicates rounding the mark to port and lower case rounding it to starboard.
