

PEYC 2018

# BBQ Races

Yacht and dinghy racing Sunday Mornings between 10am and 12 noon.

BBQ races are on Sunday;

27<sup>th</sup> May,

10<sup>th</sup> June,

8<sup>th</sup> July

22<sup>nd</sup> July

5<sup>th</sup> August

19<sup>th</sup> August

This will not be a series, the aim being to encourage family involvement on and off the water and to introduce people to racing and the Club. i.e. 'sociable racing'  
Non members are therefore welcome to come, as an introduction to the club.

We would ask that every yacht strives to have at least one youngster on board.  
The plan is to have yacht racing and dinghy racing on at the same time.

There will then be a BBQ lunch available at the Club house (Homemade Burgers, Hot Dogs and veggie burgers)

Please feel free just to come to the lunch. The idea is to have a sociable lunch and for club dinghy sailors, yacht racers, cruisers and sailing school customers to all participate.

Why not have a morning race and invite the family to lunch.  
We also plan to have some involvement from the Sailing school.

More details on the club web page.
